High

[illegible]

Technical drawing of a window frame cross-section. The drawing shows a vertical section of a window frame with various dimensions and components labeled. The overall height is 1773, and the overall width is 1210. The frame has a top rail, a bottom rail, and side rails. The bottom rail is shown in a cross-section with a width of 102. The side rails have a width of 604. The frame is shown with a depth of 300. The drawing also shows the internal structure of the frame, including the sash and the glazing. The sash is shown with a height of 1510 and a width of 805. The glazing is shown with a thickness of 320. The drawing includes a scale bar at the bottom left indicating 0, 50, and 100 units.

Spirit-MD23-101-201

Technical drawing of a window frame cross-section. The drawing shows a side view of the frame with various dimensions. The top width is 720. The height of the frame is 1770. The height of the glass pane is 2210. The width of the glass pane is 300. The width of the frame at the bottom is 720. The height of the frame at the bottom is 300. The height of the frame at the top is 150. The height of the frame at the bottom is 310.
